

Nostalgia

No one ever forgets, they

Only remember

Sorrow and Sadness is what we feel

Touching old memories

Always

Listening to joyful moments

Giggling to stories

Inside our heads

All we do is remember

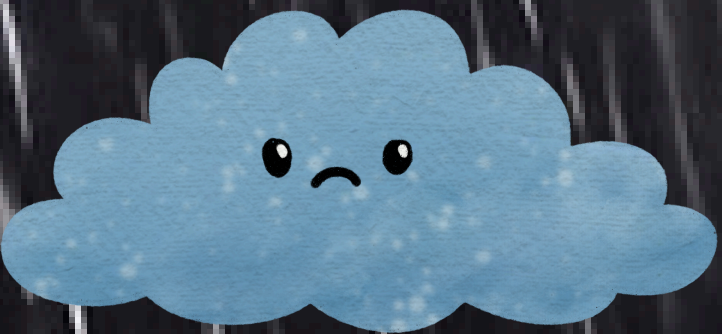

Some *pain* people experience
sadness and depression.

Everyone feels *a* type of way when
they do something they regret.

Deep *i*nside our head, we ask, "Why?"

But we *n*ever find out why.

This is
no ordinary cross.
Oh, no, it isn't.

Just cause
things don't
have detail,
doesn't mean
it has no purpose.

I don't care
if it isn't cool enough. It's
about the meaning. That's
why it's special.

It reminds me
about when I
got it from
my uncle with
My Mom and Dad's
permission.

My Cross : Poem of Religion

They let me have
it because
they thought
I have responsibility;
taking care of a cross
isn't easy.

It has to
be safe.

This is
No ordinary
cross.
For I have told
you what it
means to me.

In God's and
Jesus's name,
AMEN
