

Dear Mama,

I always see you
cleaning the house
all day long.

Sometimes you
tell me to go to sleep,
and when I sleep, you are still awake
cleaning the house.

When everything is clean,
you don't go to watch a movie.

Instead, you would go
for a jog at the park
or take us to the park.

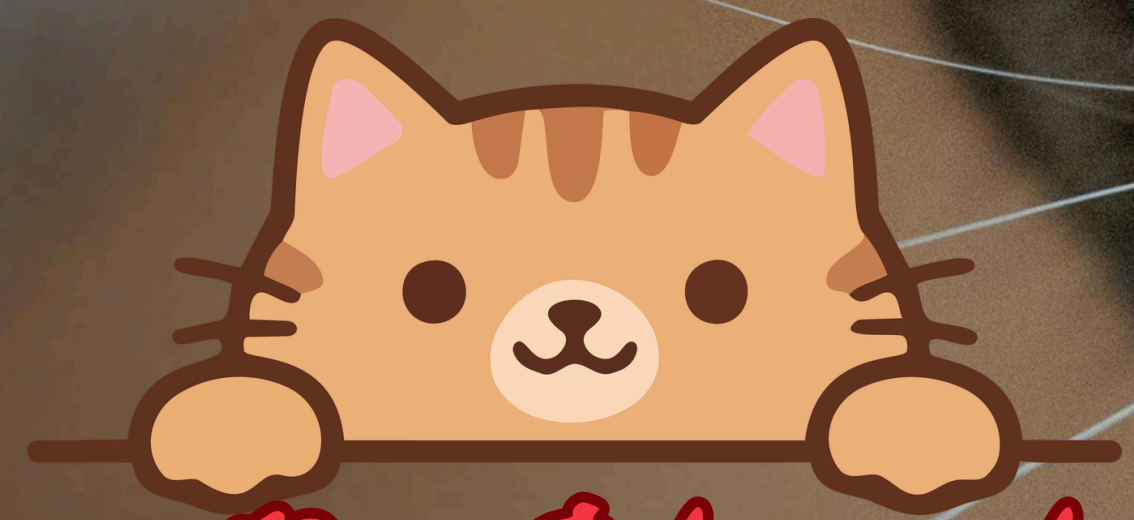

One time,
I woke up at 2:00am
and saw you in the garage
washing our clothes
and my heart dropped
because I could have done that.

The next day,
I went up to you
and said, "Mom, don't worry
about anything.
I'll do it for you
because you already
have done it for me a lot of times.

I stayed awake until morning.
Just like you.

Cats are fun and chill
At night time, they sleep with you
They love to play
Sometimes they're lazy

My Friend

Benjamin is my greatest best friend
Eager to play anything, like my favorite sport: soccer
Never a bad kid:
Just energetic and funny
At recess, we play soccer with
Me, him, and other friends
It is fun
Never boring
